Mimori Mizusawa

I debated about drawing a story like this, but I have no regrets! I believe Lelouch would have thought that!

Araiguma

I'm happy that I was able to contribute from volume one through to the very end. Thank you very much. But...I only drew about dark lords and witches. LOL

Tsukako

I have nothing to wish for, now that I've drawn Dariton in a school uniform. All I need in life it that and Suzaku and Euphy! Good work, everyone.

Aya Sakurai

I love Lulu & C.C.! I was planning to draw characters I haven't yet...but I'm missing Kallen and Neri-sama.

Chiruwo Kazahana

If Cornelia is 28 years old, how old is Miss Lohmeyer!?

TISK

I love it when C.C. gets amnesia. She's too cute!

Jun Hanzawa

I guess this is the last volume. I started contributing in volume 3. Thank you for inviting me to participate once again.

Tatsumi Miyahara

I wonder and worry what's going to happen to Lloyd at the end. I love drag queens. Thank you so much!

Yunomi Hisamatsu

I love Nunnally so much. I'm often told my Nunnally isn't canon. (LOL) Ultimate Nunnally Legend!

Chinjyaoroosu

I had fun drawing Arya, who I like just as much as Rolo. [star]

Mari Amane

I wanted all the characters to have fun, so I made it into a competition! But it ended predictably.

Rena Izumibara

I'm sad that Geass is ending. Thank you for inviting me to participate!

Akuru Uira

Shirley, Rolo and Nunnally - Geass is full of characters I love, so I want them all to be happy!

Yukian

Both seasons of Geass are wonderful. I think I'll love this anime for life.

As' Maria

I'm glad I finally got to draw for a Geass Anthology! [star] I drew this when it was really hot, and she ended up in a swimsuit. (LOL)

Rei Izumi

Tianzi was the oasis of my heart! Thank you for inviting me. Please take her as your bride.

Good Luck!

Majiko!

Sayoko seems reserved, but she's actually really strong. [star] I wonder if she ever takes off that thing on her head, or if she can't take it off...??
